# Spring NEWSLETTER 2022

## Staff Passions

Mary Boyt

Boyt Engineering staff is involved in many activities outside of work. One of our staff, Mary Boyt, is the Art Instructor at Marion's new Market Street Music Conservatory next door to our office. The art program features student-centered classes and camps that encourage students to explore a variety of materials and techniques to express their own interests. Some of the media explored include drawing, painting, printmaking, sculpture, sewing, and weaving.

Be sure to check out their upcoming **May Fest** on Saturday, May 21 from 10-2 for lots of art and music activities, student art displays, student musical performances, and bounce house fun. Hope to see you there!

## From Our Kitchen to Yours: Strawberry Milkshake

### Ingredients:

- 1 1/2 C Strawberries
- 1 C Ice Cream (vanilla or strawberry)
- 1/2 C Whole Milk
- 1 tsp Honey or Sugar— optional, to taste

Optional Garnish: Whipped Cream, Chocolate Shavings, Sprinkles, Oreos, Cut Strawberries

*\*\*Pro Tip: Place milkshake glasses in the freezer for 10 minutes before using to keep milkshakes colder longer\*\**

### Instructions:

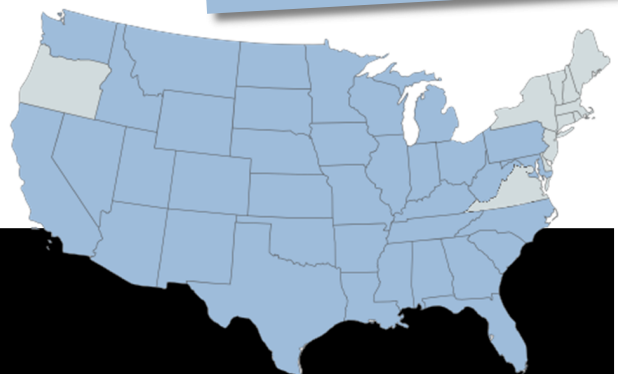

1. Wash and dry strawberries.
2. Cut off tops and half larger berries.
3. Place all ingredients in a blender.
4. Blend until smooth.
5. Serve! Add your choice of garnish for more of a treat!

Happy Cooking!

**At Boyt Engineering, we design buildings  
to meet our clients' needs.**
